Payment Policy, Terms and Conditions Agreement

Upon delivery, client agrees to pay Patient Education Concepts, Inc. (PEC) the total amount due according to the payment method on this order form. Client agrees that the Sight Selector™ Online Tool will be used on only the URL specified on this form. The initial agreement is one year, and shall automatically renew for successive additional one year terms unless either party gives the other notice of termination at least thirty (30) days prior to the expiration of the then current term. PEC is authorized to charge the renewal fees to the credit card on file unless the agreement is terminated. PEC may terminate upon ten (10) days notice in the event of a material breach of the Agreement. In the event the client would like to change their video selection during the 12-month license period, upon delivery of the new software installation files, PEC is authorized to charge a \$150 video change-fee to the credit card on file.

Neither party will incur any liability to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement if such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control and without the negligence of the parties, including, without limitation, acts of God, loss of electrical or telecommunications power or access, fire or flood.

For any content provided to PEC for inclusion on a client's Sight Selector™ Online player, client agrees to indemnify, hold harmless and defend PEC and Eyeland Design Network, GmbH (Eyeland) against any loss, claims, damages, fees (including reasonable attorney's fees) or any other liability to any person or property arising out of, or related to, the violation of another person's or entity's copyright.

PEC/Eyeland makes no warranties or representations of any kind, expressed or implied, as to the accuracy, reliability, currency, effectiveness, or completeness of any videos offered by PEC/Eyeland, the content of such videos, or the results that may be obtained through the use of such videos. No advice or information provided by PEC/Eyeland or in any of the PEC/Eyeland videos shall create a warranty; nor shall the user rely on any such advice or information. All PEC/Eyeland videos should be thoroughly reviewed by medical professionals or counsel to determine accuracy, reliability, currency, effectiveness, and completeness. While PEC/Eyeland generally attempts to update its videos when alerted to changes in law or other circumstances affecting content, PEC/Eyeland guarantees neither that its videos will be updated nor that it will notify any client when an updated version of a product is created or made available.

To the full extent permitted by law, PEC/Eyeland disclaims all warranties, expressed or implied, including, but not limited to, warranties of merchantability, fitness for a particular purpose, and non-infringement. Neither PEC/Eyeland nor any party involved in creating, producing, or distributing Sight Selector™ programs and the other programs contained within Client's Sight Selector™ Online player will be liable for any damages or lost profits, whether foreseeable or unforeseeable, arising from the use of or inability to use the Sight Selector™ product, including, without limitation, any reliance by any user on any information provided by PEC/Eyeland or any PEC/Eyeland videos; any mistakes, errors, omission, or defects contained in any PEC/Eyeland video.

The terms and conditions stated above are agreed to by both parties as indicated by their respective signatures below.
